OIC calls for end to hate campaigns against Islam

Ever since the competition was announced, Pakistan raised the issue at the diplomatic level with the United Nations, OIC, and European Union and sensitised world leaders.

The foreign ministers of Organisation of Islamic Cooperation (OIC) member countries adopted a strongly worded statement – sponsored by Pakistan and Turkey denouncing the increasing attacks on Islam, its revered personalities and symbols, and called for an immediate end to such campaigns.

Speaking at the meeting, to the most revered Foreign Minister Shah Mahmood Qureshi expressed deep concern over the misrepresentation of Islam as well as at the ministerial meeting, Pakistan also requested the feelings of Muslims all expressed on the emergency session of the over the world, especially intensification of hate OIC Executive Committee the disrespect shown campaigns which were to take stock of the Page 2

Anti-Islamophobia kit launched in European **Parliament**

In the wake of growing racism across Europe, a project to counter Islamophobia was launched in the European Parliament on Wednesday.

Experts and academics from across Europe gathered at the parliament for the launch of the twoyear Counter-Islamophobia Kit (CIK) project funded by the European Commission's Directorate of Justice.

They called on member states and policymakers to play a more active role in the fight against Islamophobia and strengthen legal procedures on the issue.

The project reviews dominant anti-Muslim narratives and compares counter-narratives in eight EU members states of France, Germany, Belgium, the Czech Republic, Hungary, Portugal, Greece, and the U.K.

It outlines 10 counter- challenging narratives of

narratives that must be Muslim singularity prioritized in Europe:
